Dear Delores,

I have known you since
the seventh grade, and you are
a sweet girl. I hope good luck
will always come your way.
Just stay the same sweet girl you
are now, and I'm sure it will.

Love ya,
Mary Hick

Delores,
You really are
a terrible girl.
Don't flirt
too much with
Horace and
Kirby and
all the rest
Bertha Lee

Delores,
It's been wonderful
being in your room this
year. I hope you have
as sweet a
time next year as you
have had this year.
Everything's the best for
you.
Good luck to you
and Malcolm.
Love

DELORES,
For you I wish
all the luck in
the world (I already said
That)
Be good,
Peggy

Best of luck in the future.
I enjoyed being in your room this year.
Hope you have as much fun in the years to come.
Love,
Marietta Holliday

Resolved

Dear Deloris,

When I first met you I didn't know exactly what the future held for us. Now that I have known you for sometime I know that the future looks very bright for us. I think you are a very nice girl with a great personality and that throughout life your good personality will aid you in obtaining many friends. It is hard for me to put into words how I feel about us. I can not express myself very well with the vocabulary that I know. all I can say is Deloris I wish you all the happiness and I hope that I have a [redacted] part in this happiness. Loads of Love from Me to you.

Love you always!

Malcolm

THE ANDERSON HIGH SCHOOL ALMA MATER

Rising midst the golden cornfields
Grandly to the view
Reaches our dear Alma Mater
Proudly to the blue.

For our love, dear Alma Mater.
Time can ne'er destroy.
We will ever sing thy praises,
Dear old Anderson High.

CHORUS

Swell the chorus ever louder

Full of cheer and joy

Hail to thee, our Alma Mater,

Dear old Anderson High.

When the first day of the 1954 football practice season began, the Jackets found two new coaches in their midst. They were Head Coach Bob Patton and Assistant Coach Jack Miller. Both were varsity football players at Clemson College. Also returning was Backfield Coach Jack Harper. Through the efforts of the coaches the Jackets were taught the fast and tricky Oklahoma Split-T offense.

The team practiced twice a day and were soon in fine shape and ready for their first game with Fairforest. A few days before this game Donald Bolt and Bill Fretwell were elected co-captains of the '54-'55 season by their teammates.

Friday, September 10, the Jackets journeyed to Fairforest for the first game of the year. There was never any doubt as to the outcome of this game. The Jackets completely outplayed their opponents and easily won the game.

The next week a highly favored team from Camden Military Academy came to Anderson. After scoring one touchdown early in the game, the Jackets held the Camden's mighty team at bay and won the game 6-0 for a big upset.

OUR TEAM...

The following week the Jackets slowed down Rudy Hayes and defeated Pickens High School 19-7. This was an all-around team victory for the surprising Yellow Jackets.

Next the Greenville Red Raiders came to Anderson to play their annual grudge game. The Jackets could not get their offense started and were beaten 18-0 by the Powerful Raiders. This was a hard one for the Jackets to lose.

After Greenville the Jackets took to the road for three straight games. In Rock Hill the team lacked the scoring punch. They were held right at the goal line on one occasion. Rock Hill's one touchdown was enough to defeat the Jackets. At Parker High School the Jackets were again left scoreless, losing 21-0. At Spartanburg the Jackets showed the same hustling spirit that they had shown at the beginning of the season. They came to life with a 13-6 victory.

Then back home the Jackets kept up the good work with a 13-0 win over Gaffney. The Jacket's defensive team completely stopped the powerful Gaffney offense. Then the Easley Green Waves came to Anderson and were defeated 13-12 by the Jackets with the help of Toby Bobo's right foot.

The Homecoming game with Columbia was a big disappointment for the Jackets. Columbia ran the opening kickoff back for a touchdown and went on to overpower them 25-0.

In the final game of the year the Jackets again could not find the scoring punch and were defeated 6-0 by Chester High School.

At the Yellow Jacket's football banquet four boys were awarded trophies for outstanding performance during the '54-'55 season. Bill Fretwell won the best blocking trophy; Howard Craig, the sportsmanship trophy; Toby Bobo, the most improved trophy; and Donald Bolt, the most valuable player award.

Somebody goofed!

Some are short; some are tall.
Some are good; all play ball—

These are the traits of the Hanna High Basketball Team. Whether during a practice or during a game, our players really play ball—one dashes across the court, another dribbles the ball, still another guards, and one even shoots a goal. Occasionally a "sub" on the sideline gets so excited that she shrieks "Guard her! Guard her!" or "Shoot! Shoot!" In the midst of all this excitement a player must think quickly and decide what she must do; therefore, basketball players learn much from the game.

The basketball team this year had an exceptional season. After many hours of practice the boys began to shape into a team. Under the expert leadership of Head Coach Jack Harper, the team became stronger with each game. The lack of height did not seem to hurt the team as much this year as in previous years. The accurate shooting of the members of the squad made up for the lack of height. The Jackets possessed the ability to move the ball around easily. This, together with hustle, provided the difference of only a few points by which the Jackets won many games. This proved that the practices had been long and hard. At the close of the season, the Jackets had not won all their games, but had hung up an impressive record of which everyone could be proud.

Coach Bob Patton met the track team this year with a big rebuilding job ahead of him. After weeks of hard practice and after a couple of meets were over, the students saw that his job was a big success.

The Boys' High team had some fast boys on it this year. The dash men were some of the fastest in the state and demonstrated this in the fine way that they won their races. The student body wishes to congratulate you for your fine showings and your true sportsmanship in all of your contests this year.

FIELD HOCKEY

The major sport at Hanna High in the fall is field hockey. This is a fast-moving game that requires skill and quick thinking on the players' part. Each player must keep her eyes on the ball and at the same time watch the other players' sticks. In spite of this, sometimes, the students receive licks on the head, bruised shins, or a black eye. It's all in the game, however, and hockey remanis a favorite sport at Hanna High.

JACK MILLER
Coach

When spring rolled around this year, the thoughts of the young men at Boys' High School again turned to baseball. With the formation of a Piedmont Baseball League, consisting of four class AA teams and four class A teams, the emphasis placed upon baseball became more important. Mr. Jack Miller, our baseball coach, and Mr. Hartley Coleman, our director of athletics, were responsible for the interest placed on this sport. The fine spirit of sportsmanship displayed by the hard-playing team of 1955 has made this group one that will not soon be forgotten in the baseball annals of our school. Win or lose, the boys at all times played their very best, and this is proved by the record that was posted at the end of the season.

SOFTBALL TEAM

After the long winter months spring comes, and then the Hanna High students turn to outdoor sports. Perhaps softball is one of the most popular outdoor sports for our students because it is an outdoor game and most students enjoy it. It is a common occurrence to see many players on the athletic field and to hear shrieks and yells of "Catch that ball! It's my turn to bat." Sometimes a disgusted player shouts, "Pshaw, I can't hit that ball." All in all, it's fun to play softball, and all Hanna High students think so.

The Hi-Y Club was reorganized this year after being inactive for the past several years. The club was received heartily at the school and has become one of our strongest clubs. The recently completed facilities of the Y.M.C.A. provided opportunities for excellent recreational programs. The club, although chiefly an organization for the building of Christian characters and traits, found many opportunities for social activities with its counterpart at Hanna High School, the Tri-Hi-Y.

ANDERSON HIGH BAND

At a blast from the drum major's whistle the Anderson Band steps forward. Whether it is performing at a football game or in a Christmas parade, the band marches with enthusiasm and pep. Before school three times a week during football season the band gathers at McCants Stadium for band practice. The entire band looks forward to the bus trips to the out-of-town football games. After football season the marching band is converted into a concert band, which gives concerts at Christmas and in the spring.

Hustle and bustle are the key words of the students who publish the Yellow Jacket this year. The Editorial Staff is to be commended for the hard work they have done in writing articles for the Boys' High Yellow Jacket; but like true reporters they reap their reward every month when the paper is presented to the students in completed form.

The purpose of the Distributive Education Club is to teach students the fundamentals of the business world. Its members receive both classroom instruction and on-the-job training in the field of distribution.

The highlights of the club's activities for the year include the annual employer-employee luncheon and a field trip to Atlanta in the early spring.

What a frantically maddening rush to meet that all important deadline for each issue! How little the majority of us students really know about the make-up of our paper; yet HANNASGALS is truly a student publication, because it is written completely by those students on the staff. Being a member of either the editorial or the business staff is quite a job, yet it is an honor, too. HANNASGALS continues to add feathers to her cap in the honors and awards won annually.

HANNASGALS are on sale! A few brief moments of pride are enjoyed; and, then, back to the grind—another deadline—HANNASGALS must come through!

For every trophy or letter earned in athletics, the recipient must have made some worthwhile contribution to sports. All the members of the Block "A" Club wear a block "A" on their sweaters because they have been outstanding players in football, field hockey, basketball, baseball, softball, track, or they have been one of the peppy cheerleaders.

We believe that, if we are to understand and appreciate modern France and many of our present cultural trends, we must better acquaint ourselves not only with the language but also with the great in French art, music, literature, and history. To accomplish this purpose, we are making pointed efforts to observe and scrutinize all that which stems from the never fading brilliance of France and of her heritage.

The Future Farmers of America is the national organization for students studying vocational agriculture in the public schools. The major purposes of the F.F.A. are to develop leadership, cooperation, citizenship, and to improve agriculture. Every year the members enter into various contests, such as dairy judging, beef judging, parliamentary procedure, forestry, electricity, farm mechanics, and public speaking.

MISS ELIZABETH McCOWN

MR. L. D. CUNNINGHAM

One can probably read every word of the TIDINGS and look at every picture in the book within a short time, but the staff members will never forget the afternoons and the evenings they spent working on the book. There were weeks of planning, organizing, and typing. The photographer's schedule had to be made out days in advance and students had to be notified about their pictures. There was much detailed work to be done and no one on the staff can forget the many hours of typing club rolls and identifying pictures. This was a painful ordeal, especially when the work had to be typed over because of an error. This was the time when everyone's nerves were frayed and all the staff members were concerned about the deadline, February 15.

This task of preparing a yearbook is not without its disappointments. There was the day when the photographer came and it rained in torrents all day. Quickly all members had to change to the "rain schedule." Sometimes sickness struck and there were unavoidable delays in receiving the pictures from the photographer. Last, but not least, many club pictures had to be made over. All of these delays occurred, but now each staff member has learned to say with the poet:

Then, welcome each rebuff
That turns earth's smoothness rough,
Each sting that bids not sit nor stand but go!

The job has not been all labor, for there has been much fun in it too. Perhaps the greatest satisfaction that anyone can receive is the joy of knowing that his work has been his best. It is with this satisfaction that the staff presents to you the TIDINGS of 1955.

Membership in the Beta Club is based upon scholastic achievements. The goal of many Boys' High students is to make the Beta Club. Speakers, panel discussions, school projects, and the State Beta Convention have provided the members with an interesting variety of activities this year. Once the coveted membership is attained, students work hard to maintain their high averages in order that they may remain Beta Club members.

COMMERCIAL CLUB

The Commercial Club is an essential organization at our school, for it presents to business students a clearer view of the business world, its methods and procedures. As membership is attained only by certain standards set forth in the Commercial Club constitution, a constant effort is made by the students to reach these standards.

Many of these commercial students get first-hand experience in working in an office, for during their study periods they work in the principal's office typing, taking dictation, or doing other necessary office work.

Beta Club pins—symbols of scholastic achievements and outstanding character are worn with pride at Anderson High just as they are in most high schools. During the school year our Beta Club carries on projects to help under-privileged children and to meet other exigencies in our community. Each spring representatives from the Beta Club attend the state Beta Club Convention in Columbia. During the few days they are there our state capital sees that the youth of America can be as enthusiastic about their studies as they can be about having a good time.

With a Song in Our Hearts.

Deloris,

I have certainly enjoyed being in your room this year. Keep that big smile everywhere you go. Luck to you and Malcolm. (Keep him cool) Neki Hokey!!!

Love Always

Evelyn Bannister

Deloris,

It has been a pleasure knowing you and being in your room this year. May you have the best of everything.

Love
Wanda

Deloris,

I have enjoyed being in your geometry class this year. We've had "some" times. Sometimes I wondered about those geometry tests, didn't you. I think you are one of the sweetest girls I know. May you have the best of luck as you go through life.

Love,
Margaret Roberts

Deloris,

I know you're going to have a great time (ha-!) this week-end and you won't notice what I'm writting in here right now, so here goes.

Since January everything's been real cool. We've had some great times again this year. How about that night at Lou's when we were in Doodle's car. I guess B.D. had a ball that night, as for you and I whyone could have, shot the breeze. Still we've had some great times together. Don't forget this (ugh.!) wonderful school year and the great geometry class. (I hope I get a letter today). I know you won't forget me so I won't tell you not too. Maybe I'll be doing the same thing you're doing tomorrow night. I wish you the greatest luck in everything.

Love
Gail Beasley

Delores,
May you always have the best life has to offer because you deserve only the best. You are a very cute and sweet girl.
Love,
Kathy L. Hughes

Delores,
May you always have the best for you certainly deserve it. May you and Malcolm have a happy life together.
Love ya,
Jean Keller

Delores,
You are a very nice and real cute girl. Stay sweet and be good to Malcolm. May you always have the best of everything.
Love ya loads,
Mary Sutherland

Delores,
You're a very cute + sweet gal. I wish you much success in what ever you do when you graduate. Here is a little reminder; When you're married and live on a truck, order your kids from Sears + Roebuck. Do Merry Christmas + Happy New Year.
Larry

Delores,
You are a very cute and sweet girl, and I have really enjoyed being in your room this year. Don't forget the good time we've had in study hall.
Stay as you are now and you will always have as many friends as you have now.
Have a wonderful summer and I hope to see you again next year.
Love ya!
Virginia

Dear Delores,
There's not very much I can say to tell you what a sweet girl and fine friend you are. I can only wish for you the very best of luck and happiness in the world. Take care of Malcolm, for you really deserve as fine boy like him.
Love always,
Patricia

Dear Dee,
I've had a wonderful time this year. We've been through a lot together. Remember the time we had detention in High School? Well, I'll never forget it. Have a wonderful summer. Hope to see you next year.
Love,
Mary Ann Foore

Dear Delores,
I have really enjoyed knowing you this year. Remember the "Dear old study hall" always. Have a wonderful summer.
Love,
